

Scan to E-mail on the PageWide

To scan images and send them as an e-mail using the PageWide,

make sure the screen is on the home screen by pressing the "Home" button (if applicable).

Click on "Scan"

and "E-mail."

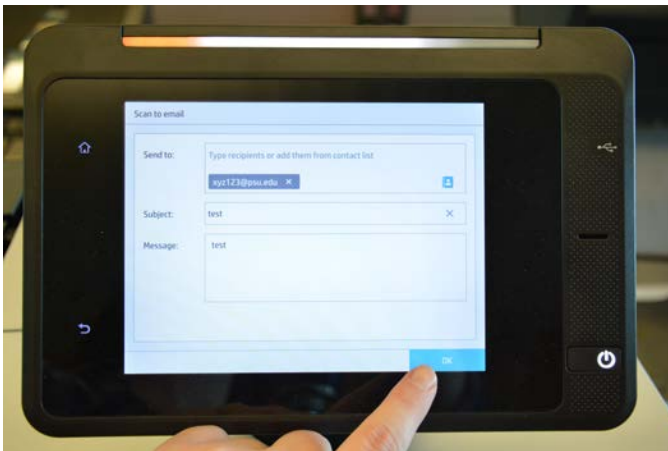

Type in your e-mail address in the "Send to" box.

Add a subject

and any other text you would like.

Press "OK."

There are many options of formats that from which you can choose. Please keep in mind that there is a 20MB limit of attachments that you can send via e-mail. The higher the resolution, the greater your file size will be.
